

Asilomar Institute for Information Architecture  
 IA Curriculum Initiative Phase 1: Worldwide List of Information Architecture Education  
 October 2003

Programs

Program Title	Program URL	Degree (nearest equivalent)	Institution	Country	Contact Person Name	Contact Person Email	Format	Comments
Master of Internet Communication Professional Learning Certificate in Information Design	http://www.canberra.edu.au/uc/hb/handbook/comedu-Degree-46.html	Masters of Science	University of Canberra	Australia	Ros Raward	rab@comedu.canberra.edu.au	Onsite	primarily library-oriented but includes courses in knowledge mgmt & technologies, web content mgmt.
	http://plc.fis.utoronto.ca/cid/	Certificate	University of Toronto, Ontario	Canada	N/A	N/A		
Library and Information Science Program	http://www.du.edu/LIS/	Masters of Science	University of Denver, Denver, CO	United States			Onsite	
Library and Information Science Program	http://www.du.edu/LIS/	Certificate	University of Denver, Denver, CO	United States			Onsite	
						cmas@csuchico.edu		
Communication Design	http://www.csuchico.edu/catalog/cat01/programs/comm/ba_cdes.html	Bachelors of Arts	Cal Stat U, Chico, CA	United States	Chair: Robert C. Blackmon		Onsite	
Informatics	http://www.ischool.washington.edu/informatics/	Bachelors of Science	University of Washington, Seattle, WA	United States	not indicated	http://www.ischool.washington.edu/people/facilst.cfm (list of faculty & staff)	Onsite	various degrees, each on a separate row of this list
						http://www.ischool.washington.edu/people/facilst.cfm (list of faculty & staff)	Onsite	goal: prepare students to become leaders in the library and information world
Masters of Library and Information Science	http://www.ischool.washington.edu/mlis/	Masters of Science	University of Washington, Seattle, WA	United States	not indicated		Onsite	special consideration for admission to residents of states of WA, OR, AL, ID, MO, WY, CO, UT, NV
Distance Masters of Library and Information Science (dMLIS)	http://www.ischool.washington.edu/dmlis/	Masters of Science	University of Washington, Seattle, WA	United States	not indicated	http://www.ischool.washington.edu/people/facilst.cfm (list of faculty & staff)	Mixed	part-time, professional masters degree integrating the areas of information management, knowledge organization and information technology. Courses are held on Friday evenings and Saturdays.
Master of Science in Information Management	http://www.ischool.washington.edu/msim/	Doctorate	University of Washington, Seattle, WA	United States	not indicated	not indicated	Onsite	students seek theoretical and empirical explanations for information phenomena from the perspective of an information scientist and with a human-centered approach - a focus on information and people
Ph.D. in Information Science	http://www.ischool.washington.edu/phd/	Certificate	University of Washington, Seattle, WA	United States	not indicated	not indicated	Onsite	technical communicators wanting to advance in key positions that encompass not only writing but also designing large-scale information architectures, ensuring information and product usability, and leading and managing teams and enterprise-wide projects.
Advanced Technical Information Architecture and Design	http://www.ucsc-extension.edu/main/business/tech_infocert.html	Certificate	University of California, Santa Cruz, Extension, Santa Cruz/Sunnyvale, CA	United States	Brenda Emmett	bemmett@ucsc-extension.edu	Onsite	1-800-258-4115 x 25
Web Design	http://www.sessions.edu/certificates/webdesign.html	Certificate	Sessions.edu	United States			Onsite	certificate requires an Info Design course 1 course on IA; concentrated study and working knowledge of HTML web publishing issues for the development of web apps; designed for programmers, multimedia developers, and marketing professionals.
Web Publishing	http://www.extension.ucsd.edu/Programs/index.cfm?vAction=certDetail&CertificateID=53		University of California, San Diego, Extension, San Diego, CA	United States	Digital Media and Web Technologies, (858) 622-5740	infotech@ucsd.edu	Onsite	Part of College of Information Studies; Classes begin Fall 2003;
Master of Information Management	http://www.clis.umd.edu/programs/mim/	Masters of Arts	University of Maryland	United States	Roberta Shaffer	rs371@umail.umd.edu	Mixed	
E-commerce Architecture Project	http://ecitizen.mit.edu/	Masters of Science	MIT	United States	Daniel Greenwood, Lecturer & Director of MITecap	dang@mit.edu	Mixed	"The E-commerce Architecture Program at MIT is an initiative to explore the legal, business and technical inputs to information architecture. E-Commerce is understood broadly to include retail, business, healthcare, banking, real-estate, government and education conducted online."
School of Information Arts & Technology, Information Architecture and Knowledge Management	http://iat.ubalt.edu/idia	Masters of Science	University of Baltimore	United States		idia@ubalt.edu	Onsite	MS Interaction Design & IA; In the core sequence you'll study Information Architecture; Interaction and Interface Design; Research Methods for Interaction Design; Programming Principles for Information Architects; Sequential Visualization and Analysis; Humans, Computers, and Cognition; and Information Culture.
	http://iakm.kent.edu/ia.html	Masters of Science	Kent State University	United States	Thomas J. Froehlich, Ph.D.	tfroehli@kent.edu	Onsite	
Professional Learning Certificate in Information Design	http://plc.fis.utoronto.ca/cid/		University of Toronto, Ontario	Canada	N/A	N/A		
Masters in Information Studies	http://www.fis.utoronto.ca/programs/calendar/concentration.htm		University of Toronto, Ontario	Canada	N/A	N/A
